Shashwat Verma	Thank you for contacting Ace Cloud Hosting. My name is Shashwat Verma. I will be assisting you today.	11:29:44 PM
	Hello Aaron	11:29:55 PM
Aaron Byers	I have been trying to call your customer support for assistance in linking up my bookkeeper to my online account, but none of your telephone numbers listed work, which is making me very uncomfortable at the moment. What is going on, and why can't I call and get thru to your company and talk to a representative?	11:30:47 PM
	Why are all of the phone numbers for your company not presently working? I have been with you for years, and this is very odd to me.	11:31:22 PM
Shashwat Verma	I apologize for the trouble you've experienced. I want to assure you that we're taking the necessary steps to resolve this issue.	11:31:31 PM
	Have tried to call on 1-888-415-5240?	11:31:40 PM
Aaron Byers	This has been going on for over a week.	11:31:52 PM
	Yes, I just tried that number, and it didn't even ring, and sounded like a cell phone, and said my call cannot be completed as dialed. What in the world is going on?	11:32:40 PM
	I have been trying to resolve this issue for over a week, and I can't do my taxes until my bookkeeper can log in to my account online, and so this is very important and I'm very frustrated. What in the world is going on with your company's main phone #? This is beyond bizarre, and is really concerning to me.	11:34:04 PM
	How in the world can I not call and talk to someone who is hosting my company's books online? This seems absolutely bizarre, and more than a little concerning to me. How do I get a hold of a live person immediately?	11:34:59 PM
	Hello?!	11:35:12 PM
	I expect to talk to a live rep immediately. My books are currently not accessible, and this is totally unacceptable on all fronts.	11:36:42 PM
Shashwat Verma	Aaron, as it seems strange as we are getting all calls of the others cleints on the above mentioned number, however looks like there may be some technical issue with your case, although we can assist in the chat too, also will investigate your case for past week	11:37:09 PM
Aaron Byers	And I know that I am not the first person to reach out regarding what is going on.	11:37:14 PM
Shashwat Verma	I personally assure you that will get this fixed	11:37:28 PM
Aaron Byers	Great. Give me a phone number that I can call that actually works. I have...zero...issues with any other phone number, and can get thru to anyone and everyone. So it's definitely not on my end, and you and I both know I'm not the only one reaching out because of this problem. So what is a phone number that actually works that i can call right now?	11:38:25 PM
Shashwat Verma	Kindly try to call us 1-888-415-5240 for support, also we can assist you with any issue on chat also	11:38:26 PM
	For testing purpose you can try the phone number now	11:38:42 PM

Aaron Byers	I tried that phone number and it doesn't even ring/	11:38:52 PM
	What in the world is going on?!? Seriously. Is your company going under or something?!	11:39:08 PM
Shashwat Verma	Aaron, in that case kindly share me your phone will arrange a call from our end	11:39:17 PM
	Will check the call issue on the same	11:39:30 PM
Aaron Byers	(248) 789-6062	11:39:30 PM
	In 25 years of being a business owner, I have never experienced anything like this, and it's especially concerning because your company is linked to my company books. Not good. At all. And I'm absolutely not happy. At all.	11:40:20 PM
Shashwat Verma	Okay, also please let me know your main issue meanwhile, engineer will call you in next 20 mins	11:40:33 PM
	I deeply apologize for the inconvenience caused to you.	11:40:53 PM
Aaron Byers	To call the company hosting my online books and to not even have the phone ring for over a week, is beyond bizarre, and is unacceptable. And you all know that. And you are obviously aware of this issue, as I absolutely know I am one of probably thousands that are trying to get thru. I'm not naive.	11:41:24 PM
Shashwat Verma	We have noted your concern and assure you to investigate the same	11:42:08 PM
Aaron Byers	My main issue is I am not able to have my bookkeeper access my books online and I need to link her up to my account so she can access my books.	11:42:15 PM
Shashwat Verma	That the new user, right?	11:42:33 PM
Aaron Byers	Clearly something is very wrong with your company. This is insanity.	11:42:37 PM
	No. She has accessed it before.	11:42:46 PM
	But I'm confused on my current User ID and password. I have multiple on file and am not sure what combination works to get her on.	11:43:23 PM
Shashwat Verma	Currently under your company name Swartz Builders the only user registered is AaronB.Q6@myreldata.net	11:43:30 PM
	Is that the username?	11:43:41 PM
Aaron Byers	Yes. That's my dba	11:43:42 PM
	I believe so.	11:43:49 PM
Shashwat Verma	Kindly allow me two minutes to check the same.	11:44:19 PM
Aaron Byers	In my notes from the past, I have the following:	11:44:54 PM
	Online Host Computer Name: qblive06n.myreldata.net	11:45:17 PM
Shashwat Verma	Got it	11:45:24 PM
	May I take the remote access of your local computer?	11:45:31 PM
	Will setup the same at your end	11:45:37 PM

Shashwat Verma	Thanks for the confirmation !	11:45:51 PM

	Will also help you to reset the password at your end by our portal called selfcare portal	11:46:32 PM
Aaron Byers	So is myrealdata\aarond.q6 my current username?	11:47:15 PM

	I will be surely assisting you with this. Kindly help me with your server name and user name?	2:16:39 AM
Bryan Kochis	server name is BSI.myrealdatal.net. The two users that have Outlook are ChrisCor and TheresaT	2:17:10 AM
	Trying to change the Outgoing mail server settings to port 587 and security to STARTTLS.	2:17:52 AM
Yash Kalra	Bryan, as I can check from the backend you have reached out to us earlier as well regarding the similar issue.	2:19:54 AM
Bryan Kochis	Yes. None of our email is going out. We recently switched email providers so the SMTP server details have changed. But for some reason Outlook would only accept them on TheresaT. Not on ChrisCor.	2:21:27 AM

	Microsoft said to run a repair which we can't do.	
Yash Kalra	Okay Bryan, we have initiated the O365 repair process. It should complete shortly. (Edited)	2:24:08 AM
Bryan Kochis	Can you also reset the password for ChrisCor or send me updated instructions on how he can? I'm the IT support. ChrisCor is able to access the server, but doesn't know his password anymore so he needs to reset it.	2:25:16 AM
Yash Kalra	Bryan, to reset your password, please use MyPortal: https://myportal.acecloudhosting.com/	2:30:23 AM
	Alternatively, you can provide us an authorization email from bryan@mountainearth.org , and we will reset the password immediately.	
Bryan Kochis	I can do that. In that email I would also like to request that the email of record be changed FROM bryan@mountainearth.org TO webmaster@brewingscience.com as I am passing this client on to another IT company.	2:32:20 AM
	Email sent	2:33:51 AM
Yash Kalra	Sure, we will update the POC to webmaster@brewingscience.com as requested.	2:33:52 AM
	Thank you for your email.	
	We are pleased to inform you that the O365 repair has been completed. Kindly log in to the server and verify if the issue has been resolved. (Edited)	2:35:33 AM
Bryan Kochis	Sorry to bother you. but can you keep bryan@mountainearth.org AND webmaster@brewingscience.com emails as administrative for now? I can log in once the ChrisCor password has been reset.	2:37:24 AM
Yash Kalra	Sure, we will keep both the mail as administrative as requested.	2:38:41 AM
Bryan Kochis	Thank you	2:39:10 AM
Yash Kalra	Also stay connected while we are resetting the password from the backend (Edited)	2:39:28 AM
	Bryan, we have reset your password and sent you an email containing the link to set your new password. (Edited)	2:46:35 AM
	Please use the new password to login to the server	2:47:01 AM
Bryan Kochis	Alright checking Outlook now	2:47:44 AM
Yash Kalra	Sure, please take your time	2:47:48 AM
Bryan Kochis	Same error ... ""Something went wrong and Outlook couldn't save your account settings. Please try again."	2:49:43 AM

KEITH	IF YOUR CLEARING OUT SPACE CAN WE SET UP SOMETHING THAT WILL CLEAR IT AUTOMATICALLY EVERY SUNDAY OR SOPMETHING	1:45:31 AM
Ashutosh Mishra	I have checked on the server and 42GB space is free, so likely it is not storage related issue. It could be due to system memory however for that I am running some checks from the backend and will inform you in few minutes.	1:48:25 AM
KEITH	OK NO WORRIES. THANK YOU	1:49:08 AM
Ashutosh Mishra	Thank you for your patience. Please allow me to inform based on assessing the system memory required we would add 2GB RAM from the backend for testing purposes.	1:52:10 AM
KEITH	OK WELL LETS DO THIS TO TEST OUT AND SEE AND WE CAN GO FROM THERE AS SOON AS WEE CAN NARROW THAT DOWN.	1:53:13 AM
Ashutosh Mishra	We have added the RAM on the server we would suggest testing this out for at least one day and let us know if the issue persists.	1:54:36 AM
KEITH	OK SOUNDS GREAT. WHEN WILL THE RAM TAKE EFFECT	1:55:17 AM
Ashutosh Mishra	It is already added now.	1:55:28 AM
KEITH	OK WE DO NOT HAVE TO REBOOT OR ANYTHING WITH THE RAM. ITS WORKING NOW	1:56:13 AM
Ashutosh Mishra	It should help right now, I would also suggest rebooting in non-production hours to ensure that system reloads with the new RAM amount in place.	1:57:38 AM

Shubham Gupta	Sure, but the user profiles are not present in the D drive, User's profiles are located within the C drive	5:47:48 PM
rherandez	oh then i dont why its filled up	5:48:07 PM
	can you give me breakdown for the d drive?	5:48:19 PM
Shubham Gupta	Yes, you have ample space around 100Gb in C drive that is free	5:48:41 PM
	Let me show you over the remote session	5:48:52 PM
rherandez	ok.. so why is D drive full?	5:49:01 PM
Shubham Gupta	It could be due to the backups that are getting stored in the D drives in the Client data folder	5:54:05 PM
rherandez	oh are those folders?	5:54:23 PM
	do you know what i can delete?	5:55:26 PM
	that won't affect the company file?	5:55:33 PM
Shubham Gupta	I have opened the breakdown, on your server session	5:56:10 PM
rherandez	understood. i see	5:56:12 PM
Shubham Gupta	thank you	5:56:18 PM
rherandez	but what can i delete? would deleting those temp folders affect my file?	5:56:28 PM
Shubham Gupta	Let me check.	5:56:36 PM
rherandez	cause it looks like those folders are the reason. i just dont know why its being created	5:57:23 PM
Shubham Gupta	Yes, you may delete the folders , only those folder which host the actual company file which the users are working right now (that is the original location of the company file) shall be untouched.	5:59:22 PM
	Now that you have the space so that you can open the company file , you may take your time and review the Client data folders once	5:59:52 PM
	This D drive that is the Client data drive only has the Data that is generated from the QB app or any other client data	6:00:53 PM
	C drive is separate and hosts user profiles, operating system and application files.	
rherandez	ok so the highlighted ones temp folders i can delete though?	6:01:23 PM
	correct?	6:01:25 PM
Shubham Gupta	Yes, But before you do that kindly confirm the location of your company files so that those folders are intact in D drive	6:03:02 PM
rherandez	yes	6:03:11 PM

Shubham Gupta	the other temp backups can for sure be deleted	6:03:11 PM
rhenandez	the main files i wont touch	6:03:21 PM
	thanks so much i have more space now	6:03:25 PM
Shubham Gupta	You're welcome	6:03:32 PM
rhenandez	let me just try to log back in again	6:03:47 PM
Shubham Gupta	You may also review it as per your convenience later and may delte the unwanted folders	6:03:57 PM
	Sure, take your time	6:04:03 PM
rhenandez	ok we're good	6:06:13 PM
	thanks so much!	6:06:15 PM
Shubham Gupta	Thank you for the confirmation	6:06:36 PM
	Is there anything else I may help you with ?	6:06:39 PM

Marshall Madamba	Hi Rohan, I need the pin for the Filemaker Server app installed today. This is on ticket 786225.	12:13:13 PM
Rohan	I will surely help you with this.	12:14:56 PM
Marshall Madamba	I also need to know if all remote desktop accounts have had the FM 2024 client app installed and the Filemaker databases served by the Filemaker Server host set up as favorites in the launch window.	12:14:58 PM
Rohan	Marshall. We would like to inform you that we have run both the Setup files and installed the Trial Version of FilMaker Pro since we didn't have the License Key.	12:16:33 PM
Marshall Madamba	I provided the license certificate file in the AGL1_Guest user in the Filemaker 2024 Install Files folder which is on the desktop.	12:17:49 PM
Rohan	Okay Marshall, Let me check that	12:18:04 PM
	Yes Marhsall, this has been activated now	12:20:31 PM
	And it didn't ask us to create any PIN while installing it	12:20:56 PM
Marshall Madamba	Filemaker Server should have.	12:21:46 PM
Rohan	Also, please note that FileMaker Pro Shortcut is available for all the user who are added on the server	12:22:10 PM
	Can you please share any screenshot where it is asking for PIN ? (Edited)	12:22:38 PM
Marshall Madamba	Give me a couple minutes to get that info.	12:24:15 PM
Rohan	Sure take your time	12:26:09 PM
Marshall Madamba	Rohan, apparently the only way to reset the PIN is to reinstall FileMaker Server. This will reset the Admin Console username, password, and PIN to their default settings.	12:29:05 PM
	We need this done because Bob has no record of the previous pin.	12:29:54 PM
Rohan	Marshall, I understand your concern. I just checked and was able to launch the application without entering any PIN. Could you please share a screenshot showing where it's asking for the PIN? As far as I know, it didn't prompt me to set a PIN during installation.	12:31:54 PM
Marshall Madamba	Did ACE to an upgrade to Filemaker Server or a clean install of the new FMS app?	12:34:21 PM
	correction: Did ACE do an upgrade...	12:34:45 PM
Rohan	We performed the upgrade by simply running the executable files you provided.	12:35:36 PM
	If you'd like, I can uninstall and reinstall it for you.	12:36:58 PM

Marshall Madamba	Yes, please uninstall and reinstall Filemaker Server. When asked, set the pin to 9174.	12:38:00 PM
	<i>12:39:08 PM Rohan is sharing a file with you image.png - (Size:5.29 KB)</i>	12:39:08 PM
	<i>I will proceed with uninstalling the two highlighted applications from the server, and then install the new ones.</i>	
Rohan	Shall I proceed with the same ?	12:39:15 PM
Marshall Madamba	No need to reinstall the Filemaker Pro (x64).	12:40:00 PM
Rohan	Okay I will proceed with other application	12:40:14 PM
Marshall Madamba	Correct	12:40:30 PM
Rohan	Could you please confirm the setup file location for FilmMaker Server 21 again?	12:40:58 PM
Marshall Madamba	In the Filemaker 2024 Install Files folder on the desktop of the AGL1_Guest account.	12:41:41 PM
Rohan	Thanks for the confirmation !	12:41:47 PM
	Please stay connected here until the installation is completed	12:42:37 PM
Marshall Madamba	Will do	12:43:08 PM
	<i>12:46:00 PM Rohan is sharing a file with you image.png - (Size:48.05 KB)</i>	12:46:00 PM
	<i>Could you please advise the next step here?</i>	
	Select yes for previous configuration (primary machine)	12:47:18 PM
Rohan	Thanks for the confirmation !	12:47:30 PM
	I have re-installed it again and it didn't ask the PIN	12:52:15 PM
Marshall Madamba	Are you able to access the Filemaker Server Console?	12:52:55 PM
	<i>12:55:23 PM Rohan is sharing a file with you image.png - (Size:27.74 KB)</i>	12:55:23 PM
	<i>No Marhsall as it didn't ask for the PIN However there is an option to reset it</i>	
	If you do a Google search for Filemaker CLI reset password, you will get a result that requires the PIN. Which is what we do not have.	12:57:04 PM
	I'm sorry, but I'm guessing that I need you to do another reinstall but create a new configuration. Still using the primary machine setting.	12:58:26 PM
Rohan	Marshall, I think you might need to connect with the support team of this application and I'm sure that they would be able to assist you with this setup.	12:58:38 PM
Marshall Madamba	Can I do the reinstall myself from the AGL1_Guest user account?	12:59:24 PM
Rohan	Marshall, you won't be able to do this as it requires admin rights. However, if you can get approval from the account owner, Robert Hultman, we can provide you with temporary access.	1:01:12 PM
	I will send the disclaimer to the account owner, and they will need to accept it in order for us to provide you with restricted temporary admin rights on the server.	1:02:09 PM
Marshall Madamba	Bob Hultman explicitly asked that I be given admin access in his approval email from yesterday	1:02:48 PM

Rohan Yes I can see that However we woud need the approval on below disclaimer since it is about the Admin rights on the server

This disclaimer outlines the risks associated with providing local administrative rights to a user on a ACE Server. By providing local administrative rights, you acknowledge that you understand the risks and are willing to accept them.

1. You acknowledge and agree that providing local administrative rights to a user on ACE Server could potentially lead to misuse of the system, including but not limited to unauthorized access and manipulation of data.

1:03:42 PM

Shall I proceed with sharing the disclaimer with account owner ?

1:04:13 PM

Marshall Madamba OK. Given that it's late, please send the disclaimer email to Bob asap. He will likely approve and I will need access tomorrow evening after 8pm PT.

1:05:50 PM

Of course, he will not reply until after 9am PT.

1:06:32 PM

Rohan Sure, Marshall. We will immediately provide you with restricted admin rights once we receive the approval. We really appreciate your understanding and cooperation on this matter.

1:07:13 PM

Is there anything else I may help you with ?

1:07:28 PM

Marshall Madamba Not at this moment. I appreciate your patience Rohan. Have a good night.

I had them do it again this morning and so far it's been working ok but I'm wondering why I'm the only one using our server that's having this recurring issue? Also, they said they could grant me admin access so I can manage future updates independently, is that still a possibility?	10:48:41 PM

9:25:35 PM

Ashutosh Mishra Thank you for contacting Ace Cloud Hosting. My name is Ashutosh Mishra. I will be assisting you today. 9:25:41 PM

btessman I know Ace Support states we are safe on our version of OS but now QB is putting up a new warning requiring us to type yes to continue to QuickBooks in a box that says: "I'm aware of the risks associated with using QuickBooks on Windows 10 and I want to install it anyway." 9:26:17 PM

Thank you Ashutosh

9:26:23 PM

Ashutosh Mishra Yes, rest assured you can proceed with acknowledging it since the server environment is completely different from a general client environment. The server environments require different Windows OS specifically created for server roles that is different from Windows 10 or 11. 9:28:27 PM

btessman Why does it make you say yes to "I want to install it anyway." It is vague as to what is being installed. (Why are we installing something to just use QB)? 9:29:13 PM

I'm asking all this to avoid an unnecessary complication

9:29:23 PM

Ashutosh Mishra Since QuickBooks roll out frequent minor updates it is just a general reminder, please allow me to inform your hosted environment remains fully secure, compliant, and optimized for performance. 9:31:21 PM

btessman OK so answer YES to anything that is mentioning continue to install 9:31:56 PM

Ashutosh Mishra Yes you can proceed. 9:32:47 PM

btessman ok thank you for confirming once again. I wish there was a way to bypass these alerts. 9:33:14 PM

Ashutosh Mishra Thank you for your cooperation. If we have any update from Intuit regarding these messages, we will also inform you for the same. 9:34:17 PM

Is there anything else I may help you with ?

9:34:20 PM

btessman Thanks, that is all for today 9:34:35 PM

Take care Ashutosh
