CHRIS GILBERT	I need password resets for two companies, please. Christy's Flooring & More, LLC and Sweet's Quilt & Sew, LLC
Siddhant	Thank you for contacting ACE. My name is Siddhant. I will be assisting you further.
CHRIS GILBERT	been paid for the month, and I am in my 30 day grace period
	The service has been paid...
Siddhant	Would you like to reset your password for the server?
CHRIS GILBERT	Yes, sir. For both companies
Siddhant	Got it. Let me transfer this chat to the support team and they will assist you further.
	<i>Siddhant is transferring the chat to Support(QB &amp; App Hosting).</i>
CHRIS GILBERT	Thank you
	<i>Abhay Kumar Saraswat accepted the chat transfer request.</i>
Abhay Kumar Saraswat	Thank you for contacting Ace Cloud Hosting. My name is Abhay Kumar Saraswat. I will be assisting you today.
CHRIS GILBERT	Thank you
Abhay Kumar Saraswat	Hello Chris
	How are you doing today?
CHRIS GILBERT	okay, i guess.
	I've been better.
Abhay Kumar Saraswat	I will be surely assisting you with this.
	I can see above you have mentioned the account names: *Christy's Flooring And More LLC* & *Sweet T's Quilt & Sew LLC*
CHRIS GILBERT	yes
Abhay Kumar Saraswat	Thank you for the information.
	But as I can see, both of the accounts are in cancelled status.
CHRIS GILBERT	yes, and in grace period.
Abhay Kumar Saraswat	Are both migrated to some other account name ?
CHRIS GILBERT	

	no, neother
	neither
Abhay Kumar Saraswat	Okay.
	So, may I ask that what is the reason you are looking to access cancelled server?
CHRIS GILBERT	So I can work in the files. May I ask why you can't just reset the passwirds for me.
	? When I gave my cancellation notice, they said the T&C said they needed 30 days notice.
	And they said I would have access to the files until the 31st.
Abhay Kumar Saraswat	Surely I'll try to assist you in this.
CHRIS GILBERT	Try? Can't you just reset the passwords? You make it sound like there's a possibility of failure.
Abhay Kumar Saraswat	Could you please confirm the username you're using to connect to the server? (Edited)
CHRIS GILBERT	TracyAr.npro and KevinCh.npro
Abhay Kumar Saraswat	No, I'll surely assist you in this.
	Great, Thank you for the information.
	Kindly allow me two minutes to check the same.
	Thank you for your patience.
	I'm checking few more details to assist you in a better way.
CHRIS GILBERT	You're welcome. Kumar. Take your time. I'm working in the background.
Abhay Kumar Saraswat	Thank you so much.
	Thank you for your patience.
	So, as I checked for the account : <b>Christy's Flooring And More LLC</b> , you have a right to reset the password.
	But for account : *Sweet T's Quilt & Sew LLC*, *Tracy Arismendi* is a registered point of contact for us who ha
CHRIS GILBERT	I have been managing that account since I opened it for her.
Abhay Kumar Saraswat	And if you need us to reset the password for both users, we need the approval email from both registered poi
CHRIS GILBERT	Look at the history. Suport has reset the password for me multiple times.
Abhay Kumar Saraswat	I sincerely apologize for the inconvenience caused, but we are only authorized to <b>reset the password</b> upon .
CHRIS GILBERT	There are no BOTH users. I am the only user. I'm her bookkeeper and I do ALL of the Quickbooks work by mys
	So are you going to fire the other support people who have reset the password for me in the past?
Abhay Kumar Saraswat	I can understand, you can use both accounts.
	And as I said, you have a right to reset the password for <b>KevinCh.NPRO</b> and only you need to login on <b>MyPo</b>

	And you need to enter the <b>CID71324</b> as a username and click on <b>forgot password</b> and then you can use the link to reset the password.
CHRIS GILBERT	didn't work. give me a minute to try again.
Abhay Kumar Saraswat	And for user <b>TracyAr.npro</b> , you can click on below link and reset the password for that username.  <a href="https://selfcare.acecloudhosting.com">https://selfcare.acecloudhosting.com</a>
	Please take your time.
	Or I can assist you if you can allow me to take your local PC remote.
CHRIS GILBERT	I tried to reset Tracy's (Sweet T's...), but it sent a verifiaction code to her email.
Abhay Kumar Saraswat	Yes, she need to give you the code.
CHRIS GILBERT	No I've got to bother her to send me the code, which she will, if she's not in with a customer trying to sell them something.
	Gee, I have no idea why we are dropping Ace Cloud Hosting, but thank you for reinforcing that decision.
	And the only password I was able to reset on CF&M was the portal password.
	How long is that code valid before it expires?
Abhay Kumar Saraswat	Chris, the code is valid for 90 seconds.
	Please let me know if I can give you a call back & explain the situation in better way.
CHRIS GILBERT	90 seconds...really? SMH
	Kumar, I don't need you to explain the situation. You have been very clear. You are not going to help me to resolve this issue.
Abhay Kumar Saraswat	Chris, the password reset means providing access to the data which is available on server. So, we take bit pre-caution.
	We have MyPortal application also available through which the authorized point of contact can reset the password.
CHRIS GILBERT	And the only password I was able to reset on CF&M was the portal password.
Abhay Kumar Saraswat	on CS&M you are registered as an authorized point of contact and you can reset the password on that. No issue.
CHRIS GILBERT	Kumar, please read thru the support history on these two accounts. See if ACE has dealt with ANY other human resources. If so, then you can make a common sense decision, or please ask your supervisor if he can do it.
Abhay Kumar Saraswat	I can send an email from my side to Tracy, keep you in CC and ask for the approval for password reset for you.
	Once she approves that, we'll reset the password & revert back on the email within 5 minutes.
	Let me know if that works for you Chris,
	Let me send the email quickly & keep you in CC, for password reset.
CHRIS GILBERT	It would work fine for me if Tracy was waiting to respond to an email for me and wasn't out trying to make money. Tracy is not doing anything wrong, she is just trying to MAKE MONEY, and that is why she pats me to do her bookkeeping so she is not bothered with it.
	In the interim, can you at least reset the password for CF&M, please? What you gave me allowed me to reset it.
Abhay Kumar Saraswat	I do understand your situation in here & hope that you will understand mine as well, that we have some security issues.
CHRIS GILBERT	Kumar, please read thru the support history on these two accounts. See if ACE has dealt with ANY other human resources.

	Have you done that yet?
Abhay Kumar Saraswat	Since you are not able to reset the password on CF&M account , wherein you are registered on MyPortal, So, in this situation, let me send an email to the respective account owner's for password reset.
CHRIS GILBERT	OMFG KUMAR! Please just give me to a supervisor.
Abhay Kumar Saraswat	please share your phone number & i am arranging a call back for you right now.
CHRIS GILBERT	919-616-9851  And FYI, I haven't received any emails I was CC'd on.
	Can you please send those to both customers and ask them if it's okay for me to do what they are paying me
Abhay Kumar Saraswat	Allow me a minute, just sending it you right away for <b>Christy's Flooring And More LLC</b> .
	I can really understand your frustration Chris.
	Is this your email, right?
	<b>chrисgil0125@gmail.com</b>
CHRIS GILBERT	And to further complicate matters, I have to go to the DMV before 5:00 EDT and my simple password reset req  yes  Can you please suspend this fiasco until I can return within an hour?
	I gotta go. Can you leave this chat open?
Abhay Kumar Saraswat	I've sent an email to Kevin and CC'd you.
	I apologize but this is not possible for me. You can give me a suitable time and our team will contact you on your above given number.
	Are we still connected here?
	Are we still connected here?
	Are we still connected here?
CHRIS GILBERT	530
Abhay Kumar Saraswat	You are saying 05:30 PM, right?
CHRIS GILBERT	yes.
Abhay Kumar Saraswat	And the <b>time zone</b> is?
	And I've sent the email already for both accounts.
CHRIS GILBERT	If they both answer before then, can you then please just reset both passwords? Alright, I'll be back by 5:30  EDT  For account *Sweet T's Quilt & Sew LLC*, your email was registered there, so you can give me the approval rig
